

Ark Dickens Primary Academy

21st June 2018

Dear Parents/Carers

I would like to take this opportunity to thank you so much for a very warm welcome to Ark Dickens Primary Academy. The weeks have flown by and we now find ourselves heading towards the end of another academic year.

It is wonderful to see all the children in full uniform and wearing it with such pride. Thank you for your co-operation in making sure your child/children are in the correct uniform every day. Together we can make such a difference.

There are exciting times ahead for our school. We have recruited a number of outstanding teachers for the next academic year and from September '18 we will have a dedicated PE team. The PE specialists will encourage all children to be active and enjoy sport, promoting an environment where reward systems, competitive spirit and a sense of belonging are most important.

As we approach the end of this academic year, some of our support staff will be moving on as their fixed term contracts come to a natural conclusion. This ensures our school can move forward with a permanent staff structure which will provide stability for the children in the years to come.

We have an open door policy at our school, therefore please do not hesitate to either email me at f.chapman@arkdickensprimary.org or call in anytime if you have any queries or questions.

Thank you for your continued support.

Mrs F Chapman
Principal
