PARENTS

Notes from meeting held on 23rd February 2016

Parents were welcomed to the meeting and given a copy of the notes from the previous meeting held in January.

The following items were discussed:

Arts & Crafts Session: We are hoping to be able to offer an Arts & Crafts session to parents. A decision needs to be made on the date.

Promoting Parents Voice: It was suggested the group make up a presentation for the school website to promote Parents Voice. Sue Rolfe will put together a draft powerpoint presentation to show at the next meeting.

Healthy Eating: The group discussed school meals, lunch boxes, fizzy drinks and encouraging children to choose healthy options. The school will organise some posters to be displayed in the halls that promote healthy eating. Our catering contractors, ISS, have also been invited in to school next week during Parent Consultations to promote healthy eating and talk to parents about school meals and menu choices.

Family Quiz Night – Wednesday 23rd March: Final preparations are under way for the Family Quiz Night. Letters have been sent home and reminders are going out on newsletters for parents and children to register their teams. Refreshments will be on offer during the evening but parents can bring their own soft drinks and nibbles.

Gardening Club: The group would like to get a gardening club up and running to be able to do something with the school nature garden. This will be discussed in more detail at the next meeting.

The next Parents Voice meeting will be held on Tuesday 22nd March @ 2.00pm
