

Ark Dickens Primary Academy

Friday 8th April 2022

Dear Parents/Carers,

What an egg-citing week it has been at Ark Dickens! There have been lots of egg-citing Easter games and creative-related fun across our school. The teachers enjoyed their own egg-cellent competitions with some Pictionary activities that became very competitive (yes, Mrs George that was you!). The Year 4 and 5 children have completed a term of swimming and it has been amazing to see the children grow in confidence and become water -safe!

Thank you, as always for your continued support of Team Dickens over the Spring term . We are proud to be part of our community! We are looking forward to more sunshine (hopefully!) and more opportunities for you to join us in school. On behalf of the staff team, I wish you a restful and happy Easter break.

See you on the 25th April 2022.

Mrs Berry

Head of School

What's be going on in Year 2?

Year 2 had an amazing trip to the Dockyard on Monday. We had a guided tour around the Mary Rose Museum and found out lots of interesting facts. It was great to get hands on with some replicas of the artifacts

found aboard the Mary Rose. We looked at bellows, tankards and even sea biscuits.

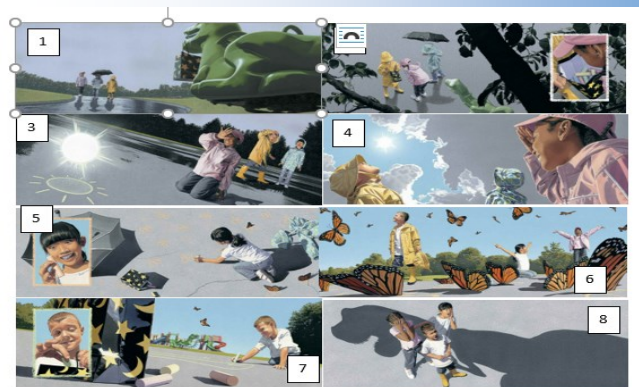

What going on in Year 3?

This half term the children in year 3 have been learning about bridges in their design and technology lessons. We have learnt about the four types of bridges (beam, arch, cantilever and suspension) and their features. The children have explored how to make simple frames, and learnt that the strongest shape is a triangle. Year 3 were able to use their knowledge to design and make their own bridges.

What's happening in Year 5?

Year 5 have been looking at creative writing this week. We have written a narrative based on a set of images alone. What story would you write based on the Images? Have a go, we would love to read them.
