

Dear Families,

I would like to welcome everyone back after the summer holidays and a warm welcome to our new starters and families this academic year. Classrooms have been filled with smiles, joy and happiness. We have been settling children into new classes, routines and procedures and they have all been brilliant!

Reception and Nursery children have been incredible and have settled well and enjoyed making new friends. Welcome to Ark Dickens, we have an exciting year ahead.

We have shared our new school values with the children. These values underpin everything we do at Ark Dickens. Our values are not just for children they apply to all members of our school family; children, parents and carers, staff members and even me too! I'm sure you will agree these values are the kind of values that we want to be instilling in our children to ensure they take their place in society as global citizens.

I can't wait for all the amazing adventures that await the children this academic year.

As always, if you have any questions please do not hesitate to contact me.

Thank you for your continued support!

Laura Berry

Head of School
