

Writing

We will be experiment with making marks using different materials and on different textures. We will mark make using our light box. We will write about our experiences in our role play sensory area.

Understanding of the world

- We will be learning to use the IWB and computer in our Nursery.
- We will be investigating how the toys in our nursery work.

Reading

- We are excited to learn our new text Brown Bear Brown Bear what do you see? This book will be influencing our role play and we will be discussing the key vocabulary.
- We will be learning where the front and back of the book is.

PSED

We will be learning what makes us the same as others and celebrate our differences.

This half term our driving question is:
What can you hear/see/feel/taste and smell?

Communication and Language

- We will be going on a listening walk and encouraging children to talk about what they can hear.
- We will be supporting children to listen to and follow simple instructions.

Mathematics

- We will learning to use our number names in order.
- We are investigating different shapes.
- We are learning the days of the week and months of the year.

Physical Development

- We are looking forward to going in to the hall to experiment with moving in a larger space.
- We will be starting our Write Dance program to get our bodies ready for writing.

Expressive arts and design

- We will be painting using all of our senses.
- We will be experimenting with colour in our creative area.
- We will be exploring our senses in our role play area.
