As per government guidance, pupils are expected to return to school as of Monday 7<sup>th</sup> September 2020. Children should to wear full school uniform. Social distancing will be in place according to government guidance.

## Bubbles

The Year 3 classes are named Edison and Picasso. Children will remain in their class for the majority of lessons but where necessary for subjects such as phonics children will work in smaller groups across the year group. Pupils will have their own allocated desk and resources. They will also have access to the outside area. Resources will be year group specific and will be thoroughly cleaned in between uses.

## Entering and Exiting Site

Pupils will be brought onto site by their parent or carer. They will enter through the side gate from the main entrance and follow the one-way system to the external door of the classroom. Parents and carers will not be permitted to enter the school building. Once their child is in school parents will exit the site through the gates on Windy Alley. There will be staff positioned across the school site reminding parents to maintain 2m distancing and dispersing any groups that congregate. Year 3 pupils are expected to be brought school between 8:40-8:50am. The same route will be taken by parents when collecting at 3:10-3:20pm.

## Start of School Day

Before entering the school building, pupils will be given hand sanitiser, ensuring that all parts of the hands are covered. If children bring in their own packed lunches, these should be in disposable carrier bags with their names clearly labelled and placed on the lunch trolley in allocated spaces. Children will then be guided by the staff to wash their hands thoroughly with soap before moving to their desks where they will be a number of morning activities set up.

Throughout the day, staff will have cleaning equipment available to clean resources and high contact points. ADPA site team will also be responsible for regular cleaning of doors/handles and other 'high-contact' areas. Lidded bins will be emptied regularly.

Pupils are expected to thoroughly clean their hands, with support if needed after using the bathroom. Pupils will need to use the bathroom before break and lunch as there will be limited access whilst in the playground.

## Resourcing

Pupils will have individual resources. These will include; pen, pencil, ruler, sound mat, number cards, playdough, multilink. Other resources in the classroom will be available and these will be cleaned in keeping with the guidance above. Resources will be kept to a minimum.
